

History of Computers Timeline Project

We will work on this IN-CLASS ON 11/05 & 11/06 & 11/07

Project Due: 11/08

Your project is to create a Time-Line of the history of computers (you decide on the **title** - yes it must have a title). There will be limited class time set aside for research or to work on this project-**use your time wisely.**

Your Time-Line must be created on the www.canva.com website. Go to this website and create an account and log in. Canva is a great designer website that will allow you to create stunning documents with little graphic design background. I want you to search for a time-line template and use one to make your History of Computer timeline. You can not just use the base template though, you need to add your own pictures, and information to bring that template to life! When we turn in the assignment, I will print them all out for you, so you can have an amazing copy of your work. When you are ready to submit the assignment, you will download your timeline as a pdf and submit that pdf file to schoology.

Timeline Criteria:

Your Time-Line must include at least 20 events, such as computer technology discoveries or inventions. **Each event must include a brief description** of the event. At least **15** of those events must include some type of illustration, a picture, drawing etc.

At least **5** of those events must be major events, something that made a huge impact to the computer world. These **5 major events must include at least one paragraph description**, explaining the event or technology.

Extra Credit: Add 2 major events in World History that happened during this time period

This project will be a **major grade** for the six weeks grade. My room is open after school and during advocate for you to work on your project! Project presentation is important, so keep that in mind.

History of Computers Grading Rubric

Items	Possible Points	Points Earned
20 events (handwritten- IN YOUR OWN WORDS)	40	
15 illustrations	15	
5 major events w/paragraphs (handwritten- IN YOUR OWN WORDS)	15	
Size (larger than 8.5" x11")	5	
Content / Title/ Readable/	10	
Presentation/ Overall appearance/effort	15	
Total Points	100	
Extra Credit: Major World Events/Creativity	10
